

## HARTLEY ROAD PRIMARY SCHOOL

### FOUNDATION PHASE

### GRADE 3

7 September 2020

Assalaamu Alaikum and warm greetings to our wonderful parents.  
We trust that you are all safe and in good health.

Despite learners attending school on alternate days, it is imperative that they maintain a routine on the days when they are not at school.

Learners should:

- Wake up early as if they were attending school.
- Continue with revision of the work learnt in school.
- Complete the online activities prepared by our educators.
- Prepare for their oral assessments.

The way to ensure that a child remembers the work taught in class is by giving them the opportunity to practise what has been learnt. It is extremely important that learners continue with the online work as this forms part of the syllabus.

You will find the Life Skills as well the Afrikaans oral assessments under the relevant subject link. Please ensure that your child is well prepared to present these on the due date.

Reminders:

- Ensure that your child is sent to school with all his/ her stationery as borrowing will not be allowed.
- An Afrikaans video has been sent on the Whatsapp group - 'Luiperd se huis.' Ensure that you revise this with your child as this will be part of oral testing.
- A section has been added onto the school website for Physical Education. Watch the video/s and get your child to practise for their PE assessment.
- Revise the work for isiZulu (Sent via Whatsapp) as this will form part of their assessments.
- Punctuality – please ensure that your child is at school by 7: 40, before the first period.
- Remind your child to follow the protocols for Covid- 19. Learners **must** wear a mask. A **visor** can be **worn in addition** to the mask.

***Yours in education***

***The grade 3 team***
