- It is very important for you to revise all the work from your Afrikaans flip file. I hope that you have filed all the recent work that was sent to you. This month is called July. In Afrikaans we say Julie.
- Two weeks ago we started new words on My Familie which means My Family. I hope that you have learnt the words and completed the activities.

Today we are going to learn a few new words. You have the whole week to learn them. Remember to do the actions to make learning fun.
