

Life Skills

Seasons:

- The effects of the seasons – Read BRB pgs 42-43 and answer the questions that follow.
- Growing a bean plant – Follow the instructions on BRB pg 44 and grow your own bean plant at home. Observe your plant as it begins to grow and compare it to the pictures in your workbook. Fill in the dates according to the different stages of growth shown in your book. Good luck!
- Read BRB pg 45 and practise the actions described. Have fun!
