

12-16 October 2020

Dear Parents,

We trust that you are keeping well and that our learners are up to date with their school work.

Remember that all flip-file work must be revised thoroughly on an ongoing basis. Learners must also be encouraged to read daily for at least **fifteen minutes**. Encourage them to read ALOUD.

We have commenced with Term 3 work, therefore learners must refer to the **Term 3&4 Blue Rainbow Book** (BRB) for relevant pages. **Answers to be done in BRB.**

Parents are requested to ensure that learners are punctual for school and arrive before 7.40am. Learners must also be reminded to follow all Covid-19 protocols when attending school.

Please note: Although Formal Assessments will be concluded this week, it is imperative that learners continue to attend school on their respective days until the end of the term. Remediation of assessments, as well as completion of the syllabus will continue during this time.

Below you will find the instructions and worksheets for the work to complete for this week (12-16/10).

Grade 2 Educators

Mathematics
