

12-16 October 2020

Dear Mums and Dads

We trust that you and your little ones are well. We are now resuming our online work as assessments have been completed. The concepts below are what we noticed learners found difficulty doing in their assessments. Kindly revise these concepts and do more examples on them. We will continue with the curriculum from next week.

Maths Remediation

Oral:

Count in 1s from 0-20 / 20-0

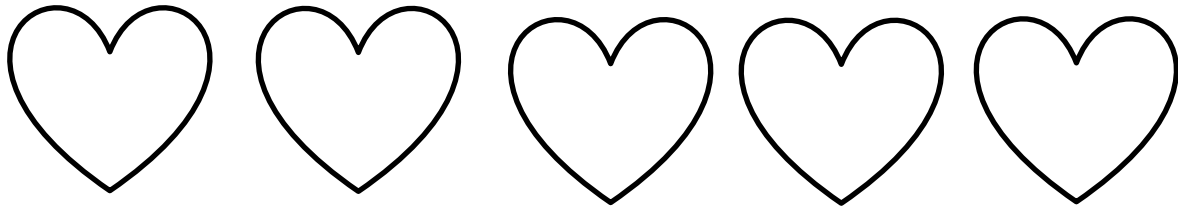

Count in 2s from 2-20

Spell number names one-four

Number Sequencing- Fill in the missing numbers

___ 2 ___ ___ 5 ___ 7

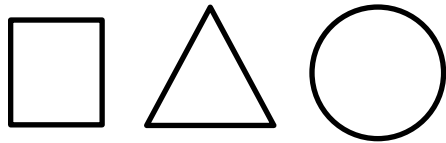

Ordinal Numbers- Cross out the first heart, circle the third heart and colour in the last heart.

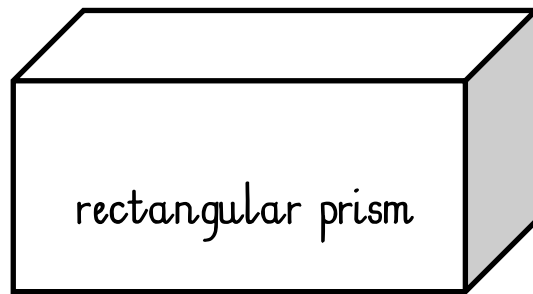

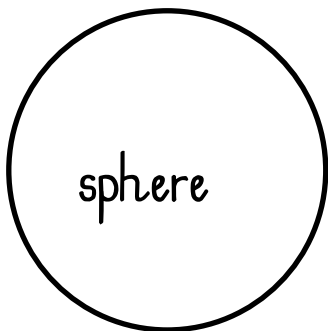

Patterns- Complete the number pattern

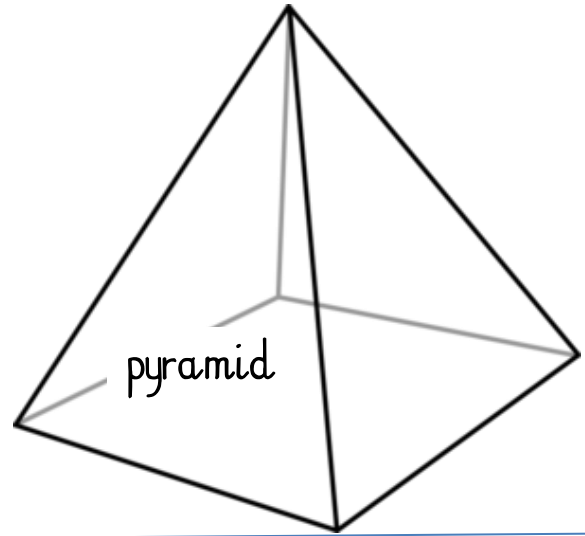

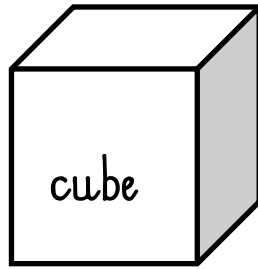

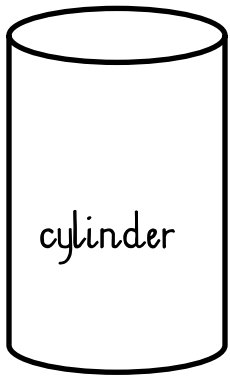

567567 _____

Complete the shape pattern

Name the 3D shapes

English Remediation

Oral:

Revise all phonic sounds (a-z). Say the sound and the name.
Give a word that starts with that letter.

Read number names: one, two, three, four.

Handwriting:

Write your name on the line below

Copy the following letters on the lines. Remember to hold your pencil using the correct pencil grip, sit in an upright position and use the correct letter formation.

h _____ b _____ f _____

o _____ d _____ m _____ g _____

y _____

Sequencing- label the pictures from number 1-5 to show the correct order of events
