

17-21 August 2020

Dear Parents,

We trust that you are keeping well and that our learners are getting up to date with their school work.

Remember that all flip-file work must be revised thoroughly on an ongoing basis. Learners must also be encouraged to read daily for at least **fifteen minutes**. Encourage them to read ALOUD.

Revision/consolidation of Term two work is provided in the form of a test for Mathematics and English.

Below you will find the instructions and worksheets for work to complete for this week (17/08 – 21/08).

**Please note:** Parents are advised to administer the Revision Exercises under test conditions. Tests should be timed and learners should be given no more than **1 hour per test**. Parent must read through the instructions (i.e. the entire test) **once** and then allow the learner to begin. Any answers left incomplete by the learner, parents should complete with the learner as corrections. The revision exercises will help parents ascertain which concepts learners need to be re-taught, or require remediation.

## **Grade 2 Educators**

### **Mathematics**

**Monday** – Complete the **Revision Test** provided.

**Tuesday** – Numbers 50 to 99 (**BRB page 2-3**)
