

### Daily Math Orals:

- Count forward/backward 0 to 20.
- Count in 2's to 20.
- Count in 5's to 30.
- Count in 10's to 50.
- Revise numbers 1 to 7. Show the value of each number e.g. – clap 5 times.
- Say the days of the week/months of the year/seasons.
- Say what day is today, what day was yesterday and what day tomorrow will be.

### Monday 27 July 2020 – Lesson 1

- Read the number symbols and names from zero to one. Trace the number names and write them out 2 times.

### Tuesday 28 July 2020 – Lesson 2

- Revise the number 6. Spell six. Count out 6 roll ups.
- Complete Blue Book (term 3) Page 18. Count the items in each block and tick the ones that have 6 objects in them. Use a pencil and trace the number 6.

### Wednesday 29 July 2020 – Lesson 3

- Complete Blue Book (term 3) Page 39. Complete the addition sums by counting the number of animals. Write the answer in the block. Write your name in the block below.

### Thursday 30 July 2020 – Lesson 4

- Cut out the shapes and paste to make a house.

### Friday 31 July 2020 – Lesson 5

- Answer the oral word problems.

Lesson One

## Spelling Numbers

Say the number, trace the number word and then write it.

0

zero

1

one

2

two

3

three

4

four

5

five

## Lesson Four

- Count how many triangles, squares and rectangles there are.
- Colour the triangle in red.
- Colour the big square brown.
- Colour the small squares light blue.
- Colour the thin rectangle yellow.
- Colour the fat rectangle orange.
- Cut the shapes and stick it on a page to make a house.

Find the worksheet in the page below.

## Lesson Five

- Mum took my friends and I to Mitchell Park. We saw 3 peacocks and 4 flamingos. How many birds did we see?
- We had a picnic. For the picnic mum packed 1 coke and my friend, Hamza, brought 5 juices. How many drinks do we have?
- Ayesha's mum packed 8 sandwiches for our picnic. We ate 3. How many sandwiches do we have left?
- Mohamed's mum packed 5 chips for our picnic. We ate 1. How many chips do we have left?

Enjoy your weekend!
