

Mathematics: Grade 1: 15 June 2020 Monday

Good Morning Grade 1's. Hope you had an awesome weekend. Remember, continue with your daily counting and learning of your halving/ doubling and spelling of numbers from 0 to 10. Also get an adult to test you on your bonds. You need to be quick in adding and subtracting numbers up to at least 10. Remember, to use your counting knowledge forwards for addition and backwards for subtraction. This week we will be sending you worksheets on halving and doubling. Please file and learn.

Calendar: Today is the **15 June 2020** which is the 6th month of the year.

Yesterday was Sunday. Today is _____. Tomorrow will be _____.

Tuesday will be a public holiday. (Media News) So there will be no work for tomorrow.

Counting: Ask an adult to randomly test you on your number grid. They must point to any number. You must count forwards/backwards from that number.

Written work for today: Today boys and girls we are going to learn about measurement, more specifically length. **What is length?** It tells you how long or short an object is. We measure length by centimetres (cm), metres (m) and kilometres(km). Small objects we measure in centimetres/millimetres. Long distance we measure using metres/kilometres. Now let's try some of these.

Activity 1: Look at each set of objects. Circle the one that is longer in each set.

Activity 2: Look at each set of objects. Circle the one that is shorter in each set.

Activity 3: Refer to your Blue Rainbow Mathematics book and complete pages: 70 and 71. This is revision of number concept 6.

Mathematics: Grade 1: 17 June 2020. Wednesday

Revise: Bonds 1-10. Count backwards in 2's from 0 – 50. Practice number formation 0 to 10.

Today's activity is continuous on length.

Activity 1: Measure with your ruler each object and record the measurement in cm on the line provided.

Activity 3: Refer to your Blue Rainbow Mathematics book and complete pages: 72 and 73. This is revision of number concept 7.

Mathematics: Grade 1: 18 June 2020. Thursday.

Counting: Count in 2s,5s,10s from 0-100. Spell your numbers from 0-10. Revise Bonds.

Today is thinking Thursday. You are going to put on your thinking caps and solve these word problems.

1. Sara is 6 years old and Muhammed is 9 years old. How much older is Muhammed than Sara?

2. There are 9 Frogs in a pond, 3 die, 2 swim away and 4 jump in. How many frogs are in the pond?

3. I bought an apple and a banana and together they cost R8. The apple costs R5 how much does the banana cost?

4. Uncle Sipho has 3 cars. They all need new tyres. How many tyres will uncle Sipho need to buy?

5. Dad was reading the newspaper which had 10 pages he still has 4 pages to read. How many pages has dad already read?
6. If today is Thursday, what day will it be in 5 days' time?
7. There were 5 bicycles in a race. How many tyres are there?
8. Yusuf went to school with 2 marbles every time he went he won 2 marbles he went home with 10 marbles how many times did he play?

Activity 2: Refer to your Blue Rainbow Mathematics book and complete pages: 74 and 75. This is revision of concept 8.

Mathematics: Grade 1: 19 June 2020. Friday.

Learn/Revise: Bonds 1-10 and Spelling of numbers 0 -10. Count forwards and backwards in ones.

Test your speed to answer these questions!

Activity 1: Remember in a speed test you must not confuse addition with subtraction. If you don't know an answer go to the next sum. When you finish all your sums, then you can complete the ones you left out.

- | | | |
|---------------|---|--------------------------------|
| 8 -4= _____. | Half of 6 is _____. | 4+4= _____. |
| 5-3= _____. | 4 doubled is _____. | 7-4= _____. |
| 3-2= _____. | Before 8 is _____. | 9+0= _____. |
| 3+4= _____. | After 4 is _____. | 3 Kgs+ 2Kgs= _____ kgs. |
| 8-8= _____. | In between 8 and 10 is _____. | R10-R5=R _____. |
| 5+5= _____. | 1 more than 6 is _____. | Spell 7 _____. |
| 1+6= _____. | 2 less than 9 is _____. | Write the numeral, nine _____. |
| 0+10= _____. | 1 st , 2 nd , _____ | Spell 9 _____. |
| 6+1= _____. | 40,50, _____ | Write the numeral eight _____. |
| 3+3+3= _____. | 10, 8 _____. | 8-3= _____. |

How many minutes did you take? _____ . I hope you got 30/30.

Activity 2: Complete these repeated addition sums.

$2 + 2 + 2 + 2 + 2 =$

Activity 3: Refer to your Blue Rainbow Mathematics book and complete pages: 76 and 77. This is revision of concept 9.

Stay safe and have a great weekend.
