Dear Bongji, Ann, Sam and Jabu

I am now living in town. I am so glad that I can use the school computer to send you an e-mail. I miss you all so much.

Town is very busy and there is a lot of traffic. I have started at my new school. It is a very big school. We have nearly 1 000 children. The school is near the park and the swimming pool. In the afternoon I go for swimming lessons. I have a new friend. Her name is Thandi. She is in my class. When I get lost in the school she helps me.

I now live in a block of flats. I live on the 2nd floor. It is very high. We do not have a garden, but we are lucky that we live near the park. I can go and play there with my friends.

I am hoping that I will be chosen for the soccer team and I hope that we can play against your school. I will come and visit you when I visit my grandmother at Christmas time.

Please write back now, I will wait at the computer for your reply.

Bye

Jim
