

Creative Art

Grade 4

Project

Dear learners

Please refer to the CA project criteria that was uploaded last week (14/09/2020 to the 18/09/2020).

It is important that the criteria are followed:

1. of creating a 3D sculpture of any animal of your choice using clay or play dough
2. A 2D drawing of the sculpture that was created.

Please stick to the due dates and hand in the projects on time as a mark will be allocated for the assessment. Home- based learners have been given a date on a schedule that was already uploaded on the Hartley website, Parents' email and Hartley Facebook to bring the assessment to school.

Thank you
