

24 - 28 August 2020

Dear Parents,

We trust that you are keeping well and that our learners are getting up to date with their school work.

Remember that all flip-file work must be revised thoroughly on an ongoing basis. Learners must also be encouraged to read daily for at least **fifteen minutes**. Encourage them to read ALOUD.

As per Department guidelines, revision of Term 1 and 2 work will be conducted in class over the next two weeks. The work set out for this week (Mathematics, English and Afrikaans) is aligned to the content that will be revised in class and may be completed during the course of the week.

Parents are to ensure that the Term 1 & 2 Blue Rainbow Books have been completed at home. Learners will be advised by their educator when to carry **Term 3&4 BRB** with them to school, as we will resume Term 3 work once revision has been completed. Learners must carry all their **stationery and Flip-file** to school daily.

No borrowing of stationery will be allowed.

We are looking forward to welcoming our learners back at school this week.
