**What is Mandela Day?**

Nelson Mandela International Day (or Mandela Day) is an annual international day in honour of Nelson Mandela, celebrated each year on 18 July, Mandela's birthday. Mandela Day is not meant as a public holiday, but as a day to honour the legacy of Nelson Mandela, South Africa's former President, and his values, through volunteering and community service. Nelson Mandela fought for social justice for 67 years. So on this day, people try and spend 67 minutes to fight poverty and promote peace, reconciliation and cultural diversity.
