

Good day Little Hartling's. We hope that you are well and safe. We hope to see you all soon! Remember to revise all your oral work daily. Ask mum and dad to sit with you while you are doing your work. Remember to sit at a table, sit upright and hold your pencil using the correct pencil grip.

Monday 27 July 2020 – Lesson 1

- Read the number symbols. Colour the circles to match the value of the number.

Tuesday 28 July 2020 – Lesson 2

- Count the balloons and add them. Write the answer in the block.

Wednesday 29 July 2020 – Lesson 3

- Add the images. Draw a line from the block to the total number of images. e.g.: 2 birds + 3 birds = 5, match the block of birds to the number 5.

Thursday 30 July 2020 – Lesson 4

- Follow the instructions on how to colour the box.
- Circle the box-shaped objects.
- Colour all the boxes.

Friday 31 July 2020 – Lesson 5

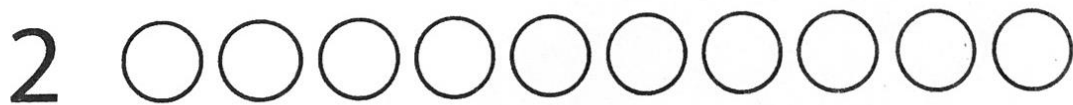

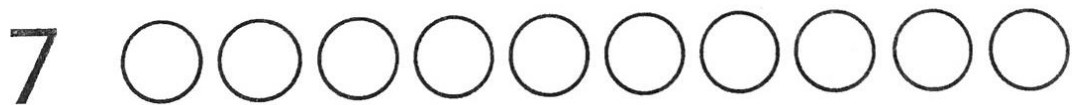

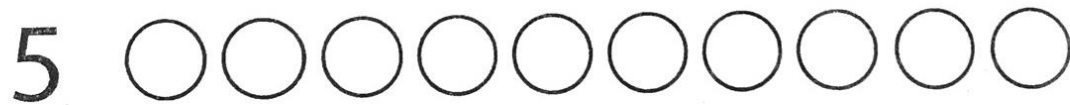

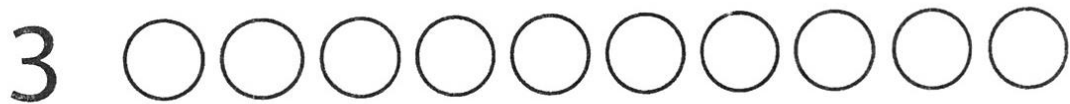

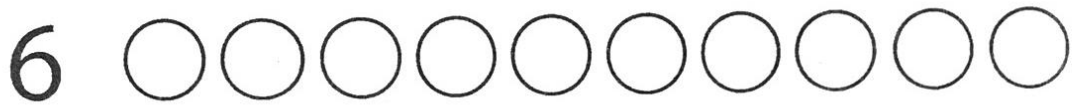

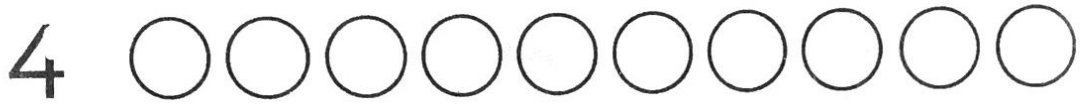

- Complete the oral word problems. You can use counters.

### Daily Math Orals:

- Count forward/backward 0 to 20.
- Count in 2's to 20.
- Count in 5's to 30.
- Count in 10's to 50.
- Revise numbers 1 to 7. Show the value of each number e.g. – clap 5 times.
- Say the days of the week/months of the year/seasons.
- Say what day is today, what day was yesterday and what day tomorrow will be.

Lesson 1

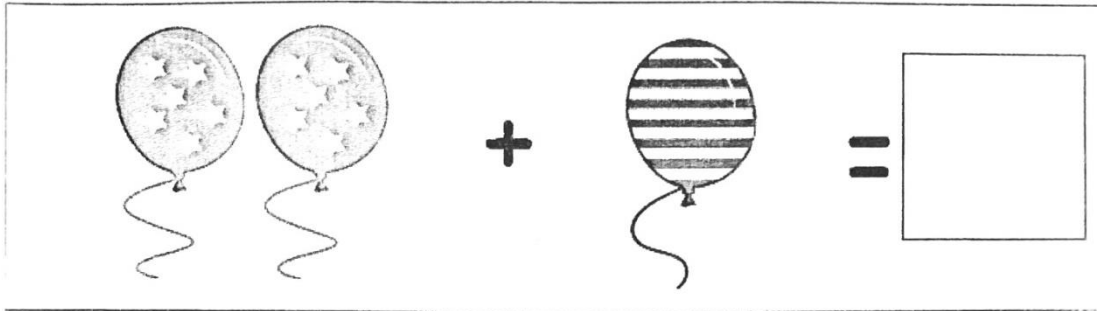

Color the same number of circles to match the number on the left.

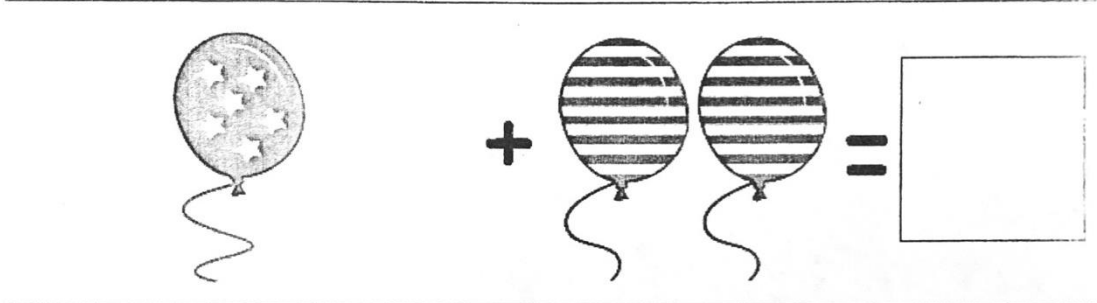

# Lesson 2

## Adding

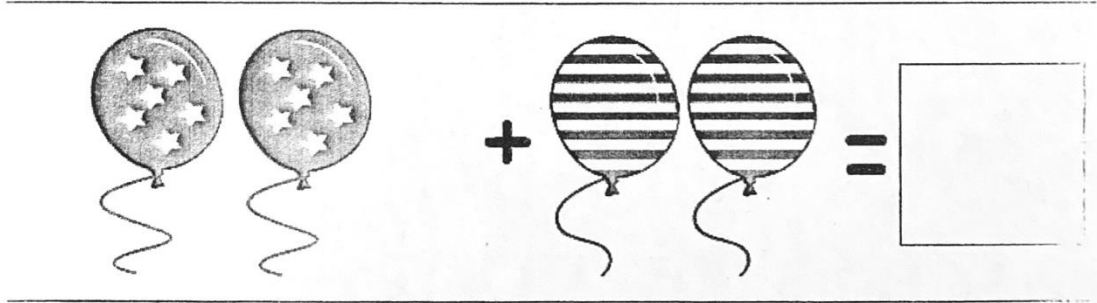

Count, add and write the answer on the line.

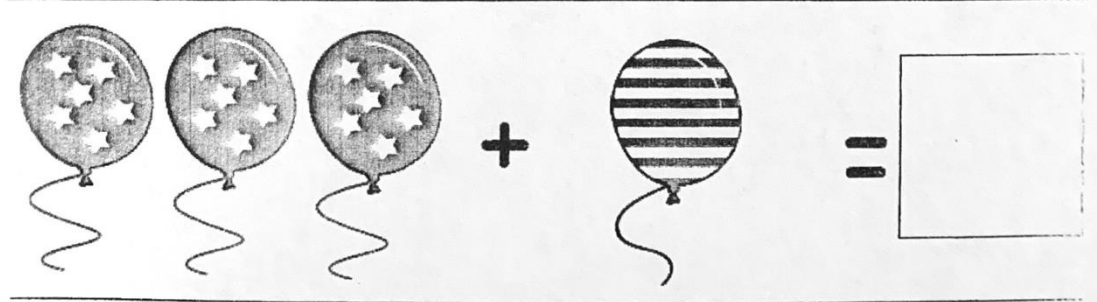

Two balloons with a star pattern are shown on the left, followed by a plus sign, then one balloon with a striped pattern, followed by an equals sign and a square box for the answer.

One balloon with a star pattern is shown on the left, followed by a plus sign, then two balloons with a striped pattern, followed by an equals sign and a square box for the answer.

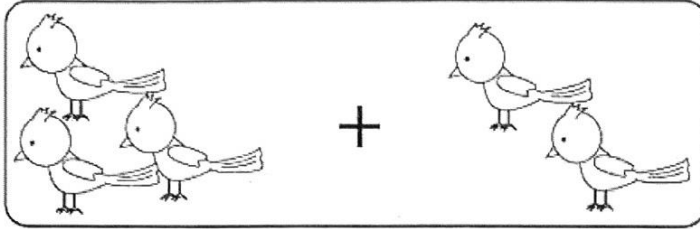

Two balloons with a star pattern are shown on the left, followed by a plus sign, then two balloons with a striped pattern, followed by an equals sign and a square box for the answer.

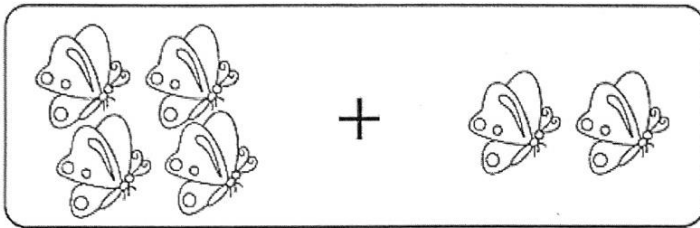

Three balloons with a star pattern are shown on the left, followed by a plus sign, then one balloon with a striped pattern, followed by an equals sign and a square box for the answer.

# Lesson 3

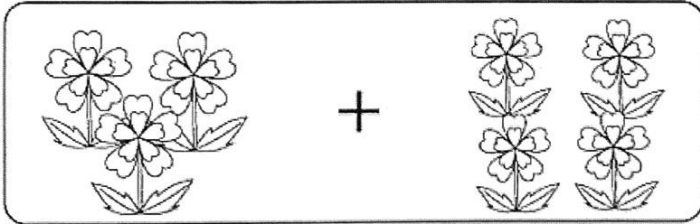

Add the images. Draw a line between the total number of images in each box and the number on the right.

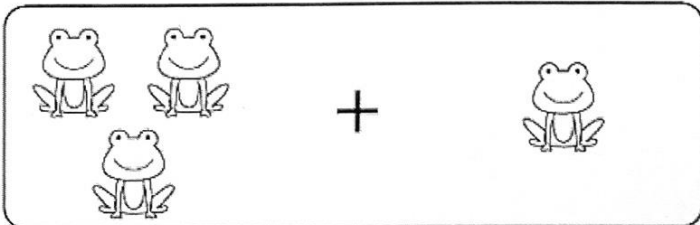

8

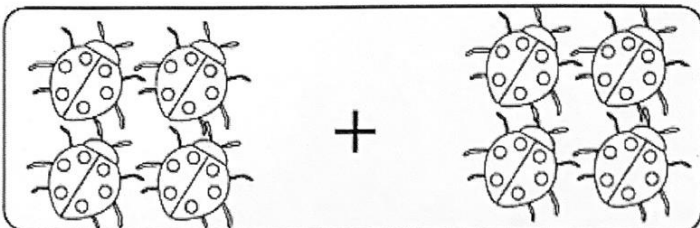

4

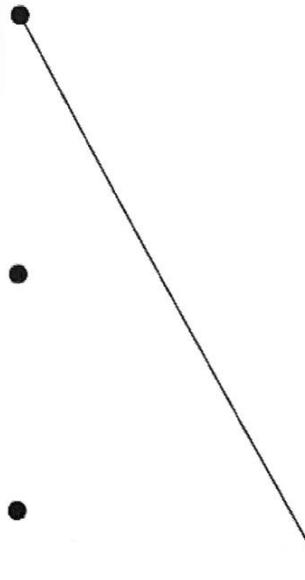

5

6

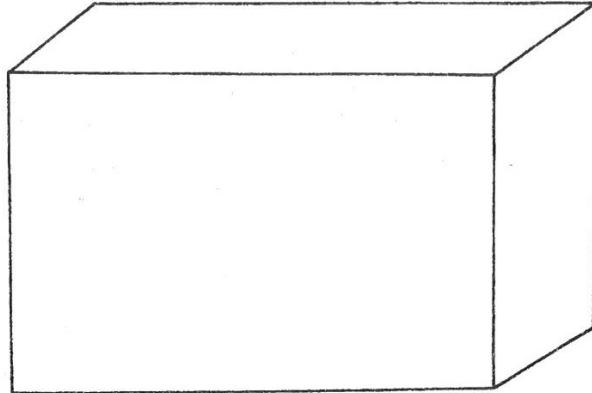

7

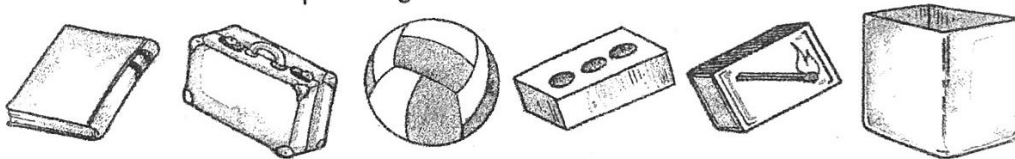

# Lesson 4

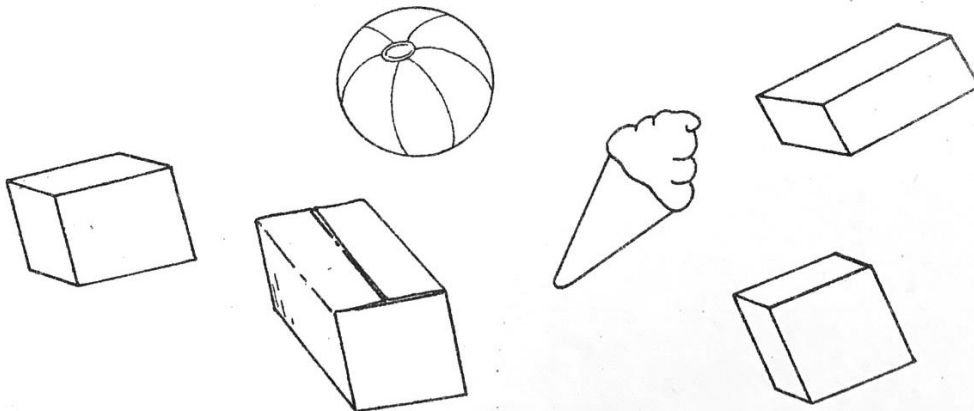

1. Colour the front of the box red. Colour the top of the box blue. Colour the side of the box yellow.

2. Circle each box-shaped object.

3. Colour all the boxes.

## Lesson 5

### Oral Word Problems

- 5 bananas and 3 apples. How many fruit together?
- 7 birds sitting on a tree. 2 flew away. How many birds are left?
- Mum bought me 2 toy cars. Dad bought me 3 toy trucks. How many toys do I have altogether?
- There are 6 boys playing outside. I had to go inside. How many boys are left outside?

Eid Mubarak. We hope that you and your family have a blessed one!
