## Life Skills Grade 1 (13 July – 17 July)

Dear Little ones. Hope you are all well and staying safe. We miss you and eagerly await your return. This week we will be learning about My body & My senses. We hope that you have fun and enjoy doing these activities this week

### My Body – 13, 14 & 15 July

Recite this action poem:

“Two parts of me”

The two parts of me

I have two hands to (clap) when I am happy

I have two lungs to breathe (Take a deep breathe) for me to live.

I have two eyes to see (point to your eyes) the beauty that surrounds me.

I have two legs to run and jump (jog on the spot) with my playmates

I have two ears to hear (cup hands to ears) what teacher will tell me.

Now learners I would like you to close your eyes and imagine drawing your body. Remember to think of every body part starting at the top of your head. Think of the different shapes of your body parts. What colour are your eyes and hair? Think about how your head is joined to your body and where your arms join your shoulders. Are your legs longer than your arms? Think about how many fingers and toes you have. Now draw your body on a plain piece of paper and remember to draw everything. Have a look in the mirror just in case you have forgotten something. Colour this body picture in carefully and remember to use the right colours for your hair and eyes.

Please ensure that learners complete the following pages in the workbook: Parents to please read and supervise.

Pages: 48, 49, 52 & 53
