The Longest Day of the Year

Answers:

Where I live, 21 December (noun; number) is the longest day of the year. This means that the sun (noun) shines (verb) for so many hours! It also means that kids have more time to play (verb) outside (noun; place) and go swimming (Verb ;ing) at the pool (noun; place). Maybe the ice-cream (noun; food) truck will be in neighborhood even later, too. This is the best day to eat (verb) my favorite Summer treat: ice-cream. (noun; food)
